

NNPCN VOLUNTEERS

WHAT DO THEY DO?

DID YOU KNOW?

There are 3 primary kinds of NNPCN volunteers! These are **palliative care**, **bereavement**, and **events**. You can help in ANY way, when YOU want to!

Palliative Care Volunteer

This volunteer is trained in Nav-CARE and other HPCO certified courses to offer respite to caregivers and visit clients in their home or over the phone. They are the backbone of a visiting hospice.

Bereavement Volunteer

This volunteer is trained in grief support, and helps clients who are grieving by talking over the phone, online, or with scheduled in-person meetings. **This is a crucial service to those affected by Covid-19.**

EVENTS VOLUNTEER

Finally, the events volunteer helps us with our super-fun annual events, like the Butterfly Release!

And many more, like bingo, knitting, gardening, and administration!

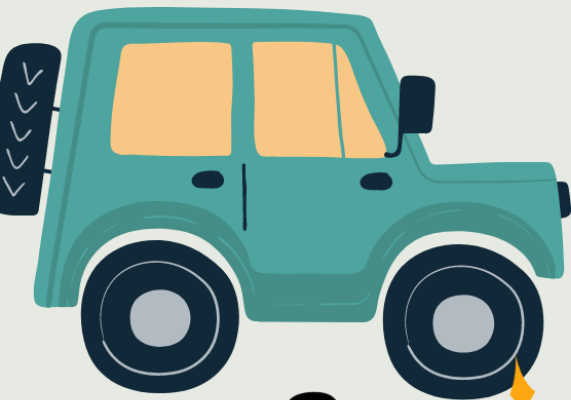

BENEFITS & PROCESS

OF BECOMING A VOLUNTEER

FREE CERTIFIED TRAINING

Perfect for filling resumes!

- HPCO palliative care training
- Bereavement & Grief support training
- Nav-CARE volunteer training
